

Introduction to SVS Vision

SVS Vision offers the finest service, value and selection in eye care with over 50 optical centers in 10 states. In addition to retail eye care centers, SVS Vision offers safety eyewear programs and group discount programs. With a U.S. lens laboratory, SVS stands committed to the quality of American-made workmanship. Serving the vision needs of our communities since 1974, SVS Vision is headquartered in Mt. Clemens, Michigan.

SVS Vision Optical Centers

SVS Vision offers total eye care at each of its optical centers in 10 states. SVS Vision ensures personalized service, excellent value, and an extensive selection of fashion eyewear.

SVS Vision Safety Eyewear Programs

SVS Vision's Protection Plus program takes the hassle out of safety eyewear programs for small-to-large companies. As a turnkey plan, Protection Plus covers administration of the program, in-house safety eyewear fulfillment, and conventional eyewear discounts for all employees.
