See Your World Like Never Before

Introducing EyeDef Lenses, Our Exclusive Signature Line

Only at SVS Vision, EyeDef Lenses offer a wide range of performance vision for everyone's needs and lifestyle. Learn about our exclusive lenses to see which lens is right for you.

SunShield

Signature polarized lenses for maximum clarity and protection

If you need prescription glasses for your active outdoor lifestyle, [EyeDef SunShield](#) lenses are a must-have. Polarized lenses protect your eyes from the sun, eliminate glare, and improve sight quality. Once you try on a pair of SunShield prescription sunglasses, you'll want to take them with you everywhere you go.

IntelliLens

Best-in-class customized progressive lenses

For those who wear progressive lenses, [EyeDef IntelliLens](#) offers the ultimate digitally-advanced technology. We create a completely customized lens specifically for your eye, giving you a level of clarity and precision above and beyond typical progressive lenses.

DigiSmart

Lenses designed with every screen in mind

If you spend a lot of your time using digital devices like mobile phones, tablets and computer screens, [EyeDef DigiSmart](#) lenses give you an enhanced viewing zone while reducing eye fatigue. Whether your screen time is related to business or pleasure, you'll love the view through DigiSmart lenses.

ScreenPro

Lenses focused on keeping you focused

Say goodbye to eye strain. Designed specifically for the workplace, [EyeDef ScreenPro](#) lenses give you clear vision in near and intermediate ranges. You'll enjoy clear and comfortable focus while reading and viewing your computer screen, as well as when meeting and working with your colleagues.

TruView

Lenses designed to refine

For those who don't require progressive lenses, [EyeDef TruView](#) single vision lenses provide a wide field of vision. Digitally manufactured to offer superior performance, TruView lenses are personalized for all-day comfort and clear vision.

At SVS Vision, you can find the perfect lens for your needs and lifestyle, as well as a range of designer frames to fit your personal style. Ready to take your vision to the next level? [Request an appointment today.](#)
